Sir:

Response to Notice of Drawing Inconsistency with Specification

In the Notice of Drawing Inconsistency with Specification dated Oct. 31, 2006, Formal Figures 6-12 are objected to as not being listed in the Brief Description of the Drawings in the Specification. Formal Figures 6-12 were submitted in error and only Figs 1-5 should be in this case.

Specifically, the Applicant originally filed Informal Figures 1-5 with the case. On March 24, 2006 the Applicant filed Formal Figures 1-12, which in addition to including formal versions of Figures 1-5 also included, in error, other figures labeled Figures 6-12. Such Figures should not been included in the Formal Figures.

To correct this error, the Applicant submits herewith Replacement Figures 1-5 (which are simply the first 7 pages of the Figures 1-11 renumbered appropriately). Also attached are marked-up copies showing the renumbering.

In the event that the Office deems personal contact desirable correcting this situation, the Office is encouraged to call the undersigned attorney at (617) 951-2500.

Please charge any additional fee occasioned by this paper to our Deposit Account No. 03-1237.

Respectfully submitted,

James A. Blanchette
